Summary

The Board reviewed the planned procedure for patient A.P. and approved a cardiac MRI before Monday's procedure. Intensive care capacity for Monday was discussed and the procedure was moved to 10:00. The Board resolved to start the renewal of the MRI maintenance contract this week.

Agenda

1. Patient A.P., 67, bed 12: planning the procedure
2. Intensive care capacity for Monday's procedures
3. Maintenance contract for the MRI scanner

1. Patient A.P., 67, bed 12: planning the procedure

The case of patient A.P., admitted with suspected acute myocardial infarction (AMI), was presented. Echocardiography showed an ejection fraction of 38%. A cardiac MRI before the procedure was proposed.

The Board noted that the procedure was scheduled for Monday.

Decision 1 The Board approved a cardiac MRI before Monday's procedure. (unanimous)

Action 1 Book the cardiac MRI for patient A.P.
 Owner: Igor Rusu Due: 28.09.2026

2. Intensive care capacity for Monday's procedures

The Board was informed that intensive care would have two free beds on Monday, provided two patients were transferred to the ward.

Decision 2 The Board agreed to move the procedure to 10:00 so that intensive care could prepare the beds.

Action 2 Confirm the two free intensive care beds for Monday.
Owner: Elena Ciobanu

3. Maintenance contract for the MRI scanner

The Board was informed that the maintenance contract for the MRI scanner expires at the end of the month.

Decision 3 RESOLVED that Procurement start the renewal of the contract this week. (4 for, 0 against, 0 abstentions)

Action 3 Check the renewal terms of the MRI maintenance contract.
Owner: Victor Munteanu Due: 30.09.2026

Next meeting: 3 October 2026, 14:00.
